THE BRANDEL GROUP
A Boutique Risk Management Firm

A Global Oil and Gas Exploration Company secures superior levels of coverage and boasts premium savings in excess of $1 million.

The Brandel Group completed a review for a Global Oil and Gas Company with premiums over $3 million. TBG was able to help the client obtain significantly enhanced levels of coverage, while at the same time securing dramatic premium savings in excess of $1 million, resulting in an overall reduction of more than 32%. In addition, the client was able to retain the services of a truly global broker as one point of contact for all their insurance needs.

CASE DETAILS

BACKGROUND: Global Oil & Gas Exploration Company.

NEEDS: Required a review of risk management and cost of their insurance program. Significant gaps in coverages with an annual premium spend in excess of $3 million.

SOLUTIONS: One Global Broker appointed, eliminated duplicate coverages, consolidated policies and dramatic cost savings on premium spend.

ANNUAL SAVINGS: $1 million - 32% annual savings.

The Brandel Group (TBG) is a consulting firm that specializes in analyzing the efficiency and cost effectiveness of commercial insurance programs and improving coverages, costs and services levels. TBG is *totally independent of all brokers and insurers* and our advice is always independent, impartial and unbiased. We *are not brokers* and there is *no requirement to change your incumbent broker or insurers* to benefit from our services.
